It has user-friendly step-by-step wizard using which all your MP3 music not just will be sorted and organized - it will be sorted and organized exactly as you want.

Question:

I had collected my music collection for the years. Now I am appending several disks full of music every week and it takes more and more time to maintain my music collection. Can Duplicate Remover sort and organize all my MP3 music automatically?

Answer:Yes. Duplicate Remover, being the leading MP3 music sorting program, have all that is needed for full-automatic and qualitative MP3 music sorting: it know all existing music genres, artists, music albums and will sort and organize all your MP3 music fast and qualitative.

Question:

I have large amount of MP3 music, some of it is packed in ZIP and RAR archives. Can I sort and organize with Duplicate Remover my music inside of archives too?

Answer:Yes. Duplicate Remover is so powerful that it will even sort and organize MP3 music inside of all major archive types (both ZIP and RAR). And even more - It will not just sort and organize archives by creation date - it will view and analyze their content, according to which and archive processing rules, that you can easily specify, it will sort archive and append it to archives database, or extract archive content and process each of files inside of archive separately. This possibility may be very useful, for example, if you have archives with music files inside - it can process all music files in archives and add them to your music library.

Question:

Most files in my music collection - are MP3 music files. But in it are also presented music files in other formats. The best duplicate file removers, music sorters and organizers I had seen before sorted only MP3 music. Can Duplicate Remover sort and organize not only MP3 music, but also other music formats?

Answer:Yes. Duplicate Remover, being a leading music sorting software, sort and organize not only MP3 music of all types (ID3, ID3v1, ID3v2, ID3v3, ID3x - all is supported) - it also sort and organize music and media in 987 music and media formats and count of supported music formats is increasing every day. With Duplicate Remover you always may be sure that all your music and media will be sorted and organized, even if your music is in rare format - fast, easy and exactly as you want.

Question:

Duplicate Remover organized my MP3 music very good. Can it, in addition, organize my photo collection too?

Answer:Yes. Even if you have millions of images in different formats, Duplicate Remover will organize them all, by content and creation date, giving you ability to control process with "Realtime information" tab page on Duplicate Remover main window. You also may view all media, that was processed, in the separate window, specialized for that purposes - in the Image previewer.

Question:

I am glad that my MP3 music collection is organized by Duplicate Remover and now it is in ideal order. I know that, in addition to MP3 music, it also sort and organize other media files - photo, video, books, etc. Can Duplicate Remover organize my program installation packs?

Answer:Yes. Duplicate Remover have support of all program installation packs and will organize them in easy usable programs library, where you will be able without additional tools, find needed program by name of company - manufacturer, name of product, it's version and release date.

Question:

Now I see that Duplicate Remover - is a MP3 music sorted that really best match my needs (it sorted all my MP3 music exactly as I want). One more question - Can Duplicate Remover organize files of custom types?

Answer:Yes. In addition to MP3 music sorting, Duplicate Remover can process custom files of custom types, sorting them using one of numerous special methods, so you will be able to easily find file, that you need.
